VETERANS BANNERS COMING SOON

The Coldwater Legion is getting ready for a third year of a project to honour our local Veterans by placing banners in participating store windows in town. For the last two years the program was well received, so we hope to continue to build on its success. Previous years' banners will go up again, but there is room for many more. The banners will still be 20" wide X 36" long (see sample at right). We will require a photo scanned at 300 dpi (we can scan it for you), the name of your Veteran and who is honouring the Veteran. The banners will be managed and stored by the Legion for continuity sake. We will look forward to the cooperation of the store owners in the years to come. If you would like to honour a Veteran, please contact Wanda Beaudoin through Facebook Messenger or email: wanda.b@amtelecom.net. Or by phone at (705) 686-3941. The cost will be \$100.00, with net proceeds going to The Poppy Fund. Payment can be made to the above email.

NEW COMMITTEE CHAIRS INSTALLED

Comrade John O'hara (left) was one of several newly appointed Committee Chairs who were officially installed in their posts by Branch President Anne McArthur during the June General Meeting. John's new post is Chair of the Honours & Awards Committee. Other appointees who were installed that evening were Comrades Penny Lawrence-Judges as Entertainment and Ways & Means Chair; Henny Risebrough as Bursary Officer; Paula Brown as Branch Service Officer; Betty-Anne Burnie as Sick & Visiting Chair; and Gaëtanne Robinson as Poppy Chair.

Yours in Comradeship,

Donna Packer, Branch 270 Ladies' Auxiliary President

It is primarily an internal communication tool through which the Branch Executive and Committee Chairs disseminate information and report to the membership on their respective activities. Opinions expressed in feature articles are those of the writers and do not imply endorsement by the Branch or the Legion. Committee reports and pre-arranged article submissions must be received no later than the 23rd of each month in order to be published in the following month's issue. Please submit by email addressed to: Branch PRO – Maple Leaf at branch270@rogers.com.

YOUTH EDUCATION REPORT

Submitted by Comrade Cheryll Barr, Youth Education Chair

Where has our summer gone? It's already August!

Comrades, the Youth Education Chair and committee members will be attending a District 'E' Seminar in Bradford at the end of August to update us on anything new from District for our upcoming Remembrance Day Contest. If you know of any young people who would like to get started on their posters, poems and essays, please feel free to contact either Cheryll Barr or Gaëtanne Robinson. We would be more than happy to help with any information needed.

The building account balance is \$22,209.86.

The Nevada account balance remains unchanged at \$237.61.

BAR REPORT

Submitted by Comrade Marg Murphy, Bar Officer

It has been established that Bar Stewards are the only ones permitted to ask a patron to remove a hat, and in a respectful manner.

There was a question of people walking around with their drinks – we will get clarification on this issue from the

AGCO. It was noted that there is no sign on the interior clubroom door indicating that there is no alcohol beyond that point. One will be added.

Comrade Maggie Murphy and Comrade Al Myer will work out a schedule for LCBO orders, payment and pick-up.

BUILDING MANAGER REPORT

Submitted by Comrade Kari Malmstrom, Building Manager

I have the following report in the way of maintenance or building issues since our last meeting.

Status of repairs and building in general are as follows.

Repairs and work being looked at or completed:

- Monthly extinguisher / exit light review completed.
- Have been in contact with Shakell Heating and Cooling to troubleshoot one of the Club Room A/C units. They are in contact with LG to figure out why it keeps tripping off.
- Required surge protector has been installed for the new freezer in upstairs kitchen.
- The A/C for upstairs kitchen has been installed for the summer season.
- The Club Room corner cabinet door has been cut in width and reinstalled so that the hinges should not break anymore

Building Manager Kari Malmstrom was hard at work, seen here removing the small roof covering the two A/C fans to provide access for servicing.

THE ROYAL CANADIAN LEGION AND JUNO BEACH CENTRE PARTNER TO HONOUR MODERN VETERANS

“Faces of Canada Today” explores the resilience, transformation, and diversity of the country our Veterans helped build.

JULY 20TH, 2023 – The Juno Beach Centre (JBC), Canada’s Second World War museum and memorial in Normandy, France and The Royal Canadian Legion are proud to announce a new partnership supporting the renewal of [Faces of Canada Today](#). The JBC [recently announced](#) this major renewal and renovation of the permanent exhibition space in time for the 80th anniversary of D-Day in June 2024.

One section of the exhibition will focus on the culture of remembrance and the history of the poppy symbol in Canada from the First World War to the present day. The Legion’s poppy design is an integral part of our remembrance culture in Canada. It is therefore central to the design of this exhibition – visitors who enter the space will be drawn to a large poppy installation made up of smaller floating poppies. Below this poppy, visitors will be invited to dedicate a virtual poppy to someone who fell in the service of Canada.

The Royal Canadian Legion has approved this use of the poppy trademark and has contributed \$100,000 to the exhibition renewal project.

“Promoting Remembrance and thanking our Veterans is at the very heart of what we do,” says Bruce Julian, Dominion President of The Royal Canadian Legion. “We were pleased to hear of the changes coming to this important experiential exhibit, including the focus on diversity, and we are proud to play a supportive role in its rejuvenation.”

“The Royal Canadian Legion has been an important partner for the Juno Beach Centre since its inception,” said Alexander Fitzgerald-Black, Executive Director of the Juno Beach Centre Association. “We are thrilled that The Royal Canadian Legion supports Faces of Canada Today, a ringing endorsement for a project aimed at making our commemorative site more welcoming to modern Veterans.”

Since the JBC opened to the public in 2003, Faces of Canada Today has showcased Canada’s evolution after the war, and has helped visitors understand how over 1 million Veterans (in our country of 11 million in 1945) helped build Canada. However, the contents of the exhibition were created in the late 1990s and are now outdated and missing many significant events in Canadian history over the past 20 years.

The renewed exhibition will demonstrate that the service of modern Veterans – those thousands of Canadians who have worn the uniform since 1945 – continues to inform Canadian identity. Whether during the Cold War, through the United Nations and NATO missions, or during the war in Afghanistan, Canadians have continued to serve.

In addition, the exhibition will better present the whole of modern Canada, including the roles of Indigenous peoples and the post-war waves of diverse immigrants. It will also cover how our nation grew out of the values Second World War Veterans brought when they returned to build a better, more welcoming, and peaceful Canada during the post-war decades.

The renewed Faces of Canada Today exhibition will be completed in early 2024. A grand opening will be held around the 80th anniversary of D-Day and the Battle of Normandy. Details to follow.

“When you take a look at bridging the gap between those that served before us and those that serve now, we’re in a different time in history. What we are asked to do is different. But the core Canadian values are still there, you help others; you do your best to make places better. That’s the obligation we have.” - Major Christopher Carriere, CD, Medical Officer, 28 Field Ambulance, served in several peacekeeping missions and deployments including Cyprus, Bosnia, Kuwait.

THIS MONTH WE REMEMBER

**THE VICTIMS OF BUFFALO
AIRCRAFT 115461**

On 9 August 1974, a Syrian missile attack shot down a Canadian Armed Forces Buffalo transport plane. The plane was enroute from Egypt, on a routine supply run for the new United Nations mission in the Golan Heights. All nine crew members and passengers Canadian peacekeepers were killed. They were Capt G.G. Foster; Capt K.B. Mirau; Capt R.B. Wicks; MCpl R.C. Spencer; Cpl M.W. Simpson; Cpl B.K. Stringer; Cpl M.H.T. Kennington; MWO C.B. Korejwo; and MWO G.Landry. In 2008, the Government of Canada chose August 9 to mark National Peacekeepers' Day. This date recognizes the 1974 attack in the Middle East. It is the highest single-day loss of Canadian life in any international peacekeeping mission. Canada has been a peacekeeping presence in the Golan Heights of Syria since 1974. This makes it one of our longest-running international commitments.

BRANCH HISTORIAN REPORT

Submitted by Comrade Norm Marion, Branch Historian

With the permanent cancellation of the annual Decoration Day Service, Comrade Wanda Beaudoin and I have volunteered to try an alternative that could become part of Legion Week in September. It will involve placing the white crosses at the graves of local Veterans on the Saturday before Legion Week starts, and leaving them there until the end of Legion Week, the following Sunday. There would be no public ceremony, but we will advertise on Facebook and website to let people know the crosses will be there. I am waiting for an answer from the Township to confirm their approval.

Our "Veterans Banner on Main Street" program will be back this year. We are beginning soon to take orders for more

banners. If you know someone you would like to feature on a banner around Remembrance Day, contact me or Comrade Wanda Beaudoin through Facebook Messenger or email: wanda.b@amtelecom.net. Or phone at (705) 686-3941.
